

Department of

CIVIL

ENGINEERING

The Department of Civil Engineering is committed to developing competent, ethical, and industry-ready engineers through a blend of academic excellence, practical training, research, and innovation. With state of the art laboratories, experienced faculty, strong industry collaborations, and an outcome-based curriculum, the department provides students with opportunities to excel in core engineering, higher education, entrepreneurship, and public services.

A distinctive feature of the department is its Industry Ready Engineer Program, which integrates internships, industrial training, software proficiency, and live projects throughout the academic journey. This approach ensures that students graduate with the practical skills and professional confidence required by the construction and infrastructure sectors.

Vision

To be a leading centre of excellence in Civil Engineering education through holistic development.

Mission

- *Develop competent Civil Engineers with strong practical skills, ethics, and societal values.*
- *Provide holistic education to address real-world engineering challenges.*
- *Equip graduates with the knowledge and skills necessary for research, higher studies, entrepreneurship, and professional practice.*

GLOBAL & INDUSTRY COLLABORATIONS

National Collaborations

- CWPRS
- IITM Pune
- Water Resources Department, Government of Maharashtra
- PCERF
- Builders Association of India
- Indian Concrete Institute

International Collaborations

- University of Lisbon, Portugal
- TU Dresden, Germany
- TRIUMF, Canada
- ASCM University, USA

GUEST LECTURES & INDUSTRY EXPERT SESSIONS

CIVIL ENGINEERING DEPARTMENT DIFFERENTIATORS

- ♦ Industry-Ready Engineer Model
- ♦ 100% Internship Opportunities
- ♦ International Career Pathways
- ♦ Exposure to AI, BIM & Smart Infrastructure Technologies
- ♦ Strong Industry Network & Collaborations
- ♦ Research & Innovation Driven Learning
- ♦ Career Support for GATE, UPSC, MPSC & Higher Studies
- ♦ Learn-by-Doing Through Live Projects & Site Visits
- ♦ Holistic Student Development
- ♦ Building Sustainable Infrastructure for Future Generations
